WHO IS SAMUEL RUBIO?

Samuel Rubio is our young director and promoter of Peregrinter Viajes, former seminarian of Toledo, graduate in Tourism from the University of Alcalá and with previous experience in the wide range of the sector.

HOW DID IT ALL START?

All began 7 years ago when my parish priest proposed to me the organization of a first pilgrimage at the parish level to Fatima. I have a deep and beautiful memory of this pilgrimage.

I already knew the destination, but not at that level. First, I thought, will I be prepared? Will I be able to control, organize and meet the needs of so many people? But I put it in the hands of the Lord and Mary, "*and everything was outstanding*" as our pilgrims say.

Everything is seen on the way back, when they say goodbye to you or at return, when they say “we could have been a couple more days”. Sign of their gratitude and satisfaction for your good work.

Pilgrimage after pilgrimage, that our specialisation or main mission (because we also provide other kind of trips), our experience and energy become stronger to look forward; because the pilgrims are, as a general rule, grateful and through them we can feel the presence of the Lord that helps us to continue our way.

Our main guarantee is the satisfaction of our pilgrims, for whom we struggle every day from our offices to achieve a maximum level of satisfaction, where the maximum is to offer them an experience of faith through unique and unrepeatabe pilgrimages.

IN CONCLUSION:

Peregrinter Viajes is your agency.

And its raison d'être is to improve the quality of the trips that groups make in pursuit of an experience in the faith.

Our best guarantee is your satisfaction and, therefore, we do everything in our power to make it so.

We also take care of other travel requests: individual, couple, family. And of course, groups: beach, mountain, adventure, gastronomy, culture, school, business, etc.

BECAUSE ONLY THOSE WHO ARE TAKEN BY THE HAND OF JESUS AND MARY SUCCEED
